

OVERHAUL // REPAIR // MAINTENANCE

OF BITZER PISTON AND SCREW COMPRESSORS

**SEMINARS
2025**

SEMINARS 2025

DATES OF SEMINARS

// Date slots

- Week 11
- Week 15
- Week 42
- Week 48

// 3 different training versions :

Mechanical training for **piston or screw** compressors

Mechanical training for **screw and reciprocating** compressors

Refrigeration engineer training for **screw compressors**

PLACE

Green Point France facilities near Paris, France, is the Competence Center of the BITZER Group dedicated to after-sales services. The facilities offer state-of-the-art equipment and tools serviced by a highly skilled team.

Seminars are dedicated to service engineers and will mostly be “hands-on” driven and are intended exclusively for technicians being qualified for refrigerant handling, maintenance companies, installers, design offices.

ORGANIZATION

// **Participants:** Mechanical courses: 4 minimum
Refrigeration course: 8 minimum
If the minimum number of participants are not registered, we can either propose to increase the price per technician or combine with another seminar group.

// **Booking:** Registration form (attached) to be returned as soon as possible (latest 2 months before the seminar date)
Email adress: **commercial@bybitzer.fr**

// Price by Technician :

- Mechanical courses Reciprocating **or** Screws compressor seminar (3 days):
2 400 € net price (excluding taxes)
- Mechanical courses Reciprocating **and** Screws compressors seminar (5 days):
3 600 € net price (excluding taxes)
- Refrigeration course Screws compressors seminar (2 days):
1 200 € net price (excluding taxes)

* Cost of trainers, spare parts, consumables and energy during the course. See other costs on course details
All other costs remain the responsibility of the Customer.

// **Payment:** Bank transfer 50% at registration and the balance 30 days before the seminar starts.

Additional information related to COVID-19 is provided in the General Sales Conditions on the back of the registration form

On request, we can offer a private training session with a maximum of 6 participants.

MECHANIC TRAINING BITZER COMPRESSORS SCREW OR RECIPROCATING

SEMINAR CONTENTS

General information, overview of the repair process.

Practical approach on the different types of screw or reciprocating compressors.

TRAINING DETAILS :

Piston mechanic training Monday to Wednesday inclusive (subject to change)

Screw mechanic training from Wednesday to Friday inclusive (subject to change)

100% practical content.

Courses for 6 to 8 people

Included: Transfers from hotel to Green Point France

For : 3-day training: 4-night hotel (arrival the day before) and meals (lunch and dinner)

5 days: 6-night hotel (arrival the day before) and meals (lunch and dinner)

Excluded: Transfer from airport to hotel.

TECHNICAL CONTENTS (Abstract)

// State-of-the-art methods, use of original spare parts

// Quality concerns:

- Parts to be systematically replaced

- Replacement based on parts condition

// Disassembly and inspection (Tear down report + Pictures: on request)

// Cleaning methods (depending on parts): washing // blasting // brushing

// Preparation for re-assembly

// Interactive Demonstration of assembly (Reciprocating)

// Interactive Demonstration of assembly (Screws)

// Settings, Clearance and fittings

// Run-in test // Running test

// Leakage test

// Evacuation // Drying

// Finishing

// Painting

SUPPLEMENTAL CONTENTS

// Introduction of the participants

// Visit of Green Point France

// Failure analysis : Electric and mechanic

// Tips and tricks

// BITZER Documentation

// BITZER e-Parts

// USB stick with all technical details and specific information

TRAINING CERTIFICATE

REFRIGERATION TECHNICIAN TRAINING BITZER SCREW COMPRESSORS

SEMINAR CONTENTS

General information, overview of the rebuilding process.

Practical implementation on different types of screw or piston compressors.

TRAINING DETAILS :

Refrigeration training: 2 days.

Content 50% theory 50% demonstration in the workshop.

Lunch included

Excluded : Transport, accommodation and evening meal.

8 to 12 people

TRAINING CONTENT

THEORETICAL PART - Training room

// Presentation of the screw compressor operating principle

// Breakdowns and their causes

// Explanation of wear parts (maintenance)

// Presentation of operation

// Introduction to BITZER Interfaces

 BITZER Software

 E-parts

PRACTICAL PART - Workshop demonstrations

// Dismantling an open screw compressor

// Reassembly of a screw compressor (CS type)

// Practical application of theory

// Awareness of on-site maintenance on wearing parts.

SUPPLEMENTAL CONTENTS

// Visit to Green Point France

// Presentation of participants

// Fault analysis: mechanical and electrical

// Tips and tricks

// BITZER documentation

// BITZER e-Parts

// Delivery of a USB key containing all technical and specific information

GENERAL TERMS AND CONDITIONS

SERVICES

These General Terms and Conditions are applicable to companies, self-employed persons and freelancers. Green Point France provides services appropriate to the nature and scope of the description of an event in the current event program or in accordance with a separate written agreement. In exceptional cases, Green Point France reserves the right to change lecturers and/or make changes in the program sequence. Seminars are dedicated to service engineers and will mostly be “hands-on” driven and are intended exclusively for technicians being qualified for refrigerant handling, maintenance companies, installers, design offices.

REGISTRATION AND CONFIRMATION

Registrations must be addressed in writing to Green Point France by e-mail. By registering, the participants undertake to participate in the event or seminar and pay the corresponding fees and costs. Registrations will be handled on a first-come-first-serve basis and confirmed by e-mail.

Registrations and reservations by phone will not become effective until registration in writing (including electronic registration) is received. By registering in writing, the participants accept the General Terms and Conditions as integral part of the contract. Secondary verbal agreements always require confirmation in writing. The training agreement becomes effective upon written confirmation. Individual parts of events cannot be booked unless specifically stated in the event program.

CANCELLATION AND PROGRAM CHANGES BY GREEN POINT FRANCE

Green Point France reserves the right to cancel an event if the number of participants is too low, a lecturer cancels, a hotel closes, in the event of a force majeure or due to any circumstances that are not the fault of Green Point France. Program changes shall also be expressly reserved, as long as they do not affect the overall character of the event. A change in lecturers, immaterial changes in the sequence of an event or an acceptable change in the venue of an event does not entitle the participant to a reduction in price or to withdraw from the agreement. In the event of cancellation by Green Point France, it shall in any case only be required to refund the payments already made. Any further claims shall be excluded, except in cases of intentional or grossly negligent behavior on the part of employees or other agents of Green Point France.

Green Point France shall not be liable for the contents of the seminar presentations or of the accompanying work documents or for the way in which they are conducted, unless due to intentional or gross negligence on the part of Green Point France or one of its agents.

CANCELLATION OR REBOOKING BY THE PARTICIPANT

Training dates when discussed and agreed upon will be duly reserved. We agree that a training slot date can be changed one time, without any extra fees.

A change of date must be done in written form and minimum thirty (30) working days before the official training date. A new date of the training must be fixed under considering of both parties (PARTICIPANT and Green Point France).

In case of a new change of date or a complete cancellation by the PARTICIPANT, all amounts already paid will be kept by Green Point France in compensation of all the costs already involved in relation with the organization of the seminar.

EVENT DOCUMENTS

The event documents will be handed over to each participant in accordance with the description of the seminar at the venue of the event. The event documents – manuscripts, exercises and case studies – are protected by copyright. All rights to the event documents are exclusively owned by Green Point France. Any reproduction, digitization, publication, dissemination or making available for download or any other use outside the event requires the prior, express and written approval by Green Point France.

Taking pictures, recording videos as well as the use of mobile phones and tablets is forbidden during the seminar.

TERMS OF PAYMENT

Upon registering, a 50% prepayment shall be made. The balance shall be paid 30 days before the seminar starts. In case of short notice registration (less than 30 days before the starting date), the full amount should be paid upfront. All invoices are payable by bank transfer, and not subject to any deduction. Legal VAT rate at the date of invoice will be added to the fees amount.

PARTICIPATION CERTIFICATES

For each seminar, the participant shall receive a participation certificate.

COLLECTION, PROCESSING AND PROVISION OF PERSONAL DATA

Data collected and exchanged as requested by our services and registration process or required by applicable laws and regulations, remain confidential. Unless otherwise expressed, the customer agrees to be quoted as a Green Point France reference. According to the applicable law of France, the customer is entitled to request in writing from Green Point France not to have such information communicated. Furthermore, the customer may at anytime request access, correction and erasing of its personal data. This right shall be applied through a written request sent to Green Point France.

PLACE OF JURISDICTION AND APPLICABLE LAW

The legal relationship of the contractual parties arising from or in connection with the agreement is governed by the law of the France to the exclusion of the UN Sales Convention (CISG). The place of jurisdiction for any legal dispute arising from or in connection with the agreement is the registered office Green Point France. In the event that individual clauses of the above General Terms and Conditions are invalid, this shall not affect the validity of the remaining provisions.

COVID-19

In case of impossibility to hold the seminars in consequence of a COVID-19 related legal or administrative measure, you will be able to select another date during one year from the date initially planned. This measure does not apply to denied boarding (plane, boat, and train) or entry rejection in France.

Wearing a surgical or FFP2 mask is compulsory during the seminar, and hydro-alcoholic gel is available.

Access is subject to the presentation of an up-to-date health/vaccination pass and a PCR or antigenic test not older than 24 hours as well as any other precautionary measured that would be legally enforced until the start of the seminar.
